Please type detailed answers to the following questions in a new document.

- Mission of the organization:
- Description of the project
- What goals or objectives would completion of this project meet for your organization?
- Is funding needed for the project? If so, is funding secured?
- Beyond the described project, are there additional opportunities to deepen the experience and connection to your organization? If yes, please list those items for consideration.
- What questions would you anticipate receiving about your organization and this project during an initial meeting with a Leadership Raleigh team?
- Are you familiar with the Leadership Raleigh program? If not, what questions do you have about the program and/or this opportunity?

- Please list any expectations you have in working with a Leadership Raleigh group:
- Estimated length of project (please note that the project should be one that can be completed by May 2014):

Commitment Statement for Leadership Raleigh Project

The completion and submittal of this project application represents the organization's commitment to be accessible and support the team from Leadership Raleigh. We agree to be available throughout the project timeframe to provide necessary resources to the Leadership Raleigh team in order to assist them in their efforts to complete this project.
